Seniors Sneak to M RANCH at Bingham

Mrs. Sanders and Jerry Ellenberger enjoy the ride to the Bar M Ranch.

Before reaching their destination the senior girls decided to pretty the boys up with a little mascara of many colors around their eyes.

Many fun-filled hours were spent rowing this boat from one end of the pond to the other. Everyone tried their hand at it.

BELOW: After being short-sheeted the boys appeared with very . . . DISGUSTED FACES.

The sun has long been down at the ranch house on the Bar M.

The Senior Breakfast was put on by the mothers of the graduates at Marjean Hudemann's home. The seniors received little French hand towels as keepsakes. Each student brought his senior picture and his baby picture.

Senior Breakfast Proves Satisfying to Both . . . Graduates and Parents

At right the parents seem to be enjoying themselves also. After the breakfast the seniors and their parents attended the Presbyterian Church in Stanfield together.

In Appreciation

We wish to extend our sincerest gratitude to Mr. Lyons for taking the majority of the pictures used in this annual. We surely did appreciate all his time, effort, and patience.

True Education

Education does not mean teaching people what they do not know. It means teaching them to behave as they do not behave. It is not teaching the youth the shapes of letters and the tricks of numbers, and then leaving them to turn their arithmetic to roguery, and their literature to lust. It means, on the contrary, training them into the perfect exercise and kingly continence of their bodies and souls. It is a painful, continual and difficult work to be done by kindness, by watching, by warning, by precept, and by praise, but above all — by example. — John Ruskin.
